LE SPORT

Short novels – Original stories on teens' favorite sports

Grades 7 and up • Low Intermediate – Intermediate

4 books • 4 audiobooks (CD)

Click to preview!

1. IL LANCE... IL COMPTE!

The Bantam hockey tryouts start tomorrow, and Robert Nadeau is nervous. Over the summer he hasn't grown a centimeter. Will he make the team? Will he be good enough? In the final championship game, Robert proves to his coaches and teammates that what really matters isn't the size of the boy in the fight, but the size of the fight in the boy.

– Features end-of-book fact section & activities.

2. LA RUE... ET LE BASKET

Simon Paquette is the leader of gang in a rough area of Montreal. He is also a very gifted basketball player. Simon has left school to live his life on the streets. Thanks to the encouragement of a young police officer, who also coaches youth basketball, Simon makes the decision to return to his studies and becomes the star player on his school team.

– Features end-of-book fact section & activities.

3. FILLE D'ACTION... SPORTS D'ACTION!

Nina Marcotte is a champion snowboarder. In winter, she lives for the thrill and danger of competition. But what extreme summer sport can satisfy Nina's thirst for adventure, risk and speed? Will this daredevil choose skateboarding or BMX? Stay tuned!

– Features end-of-book fact section & activities.

4. SUPERSABA... SUPERSOCCER!

Saba Sembène is a new immigrant to Canada from Senegal, in Africa. An excellent athlete, she is fascinated by ice hockey. She decides to try out for the team at her new school. She has, however, never been on skates before and becomes the butt of jokes by certain classmates. When soccer season arrives, however, the shoe is suddenly on the other foot.

– Features end-of-book fact section & activities.
